

Brian Flanigan

Leadership • Resilience • Purpose

Helping leaders **create clarity**, align teams, and take **decisive action** in uncertain environments.

Create Clarity

Navigate uncertainty with confidence.

Build Alignment

Get teams moving in the same direction.

Drive Action

Turn strategy into execution.

Meet Brian

Brian Flanigan is a retired Air Force Lieutenant Colonel, combat pilot, cancer survivor, and leadership expert who spent more than 20 years leading teams in high-pressure, mission critical environments.

Today, he helps leaders navigate uncertainty, build resilient teams, and execute with confidence when the stakes is highest.

 **450+**
Combat Sorties

 **2,200+**
Flight Hours

 **20+**
Years Leadership Experience

Signature Keynotes

Navigating Chaos

Attacking your targets with purpose

Learn practical strategies to cut through complexity, focus priorities, and execute confidently when everything is moving at once.

Resilience through Adversity

Stay on target when life grounds you

Lessons from combat operations, cancer recovery, and leadership under pressure.

The Operational Leader

Driving results in no fail environments

A combat-tested framework for accountability, alignment, and disciplined execution.

Audience Outcomes

After working with Brian, audiences will:

- Make decisions faster and with greater confidence
- Build alignment across competing priorities
- Lead resilient teams during uncertainty
- Improve execution and accountability
- Turn disruption into opportunity

Ideal Audiences

- Corporate Leadership Teams
- Government Agencies
