## NAVIGATING CHAOS: FROM DISRUPTION TO DIRECTION

A practical, story-driven keynote for teams navigating change, pressure, and uncertainty. Brian blends lessons from special operations aviation and cancer recovery with a framework leaders can use immediately.

### THE FOUR-PART FRAMEWORK

**01 IDENTIFY THE TARGET**  
Regain clarity on what matters now.

**02 BUILD THE CREW**  
Align people around shared intent.

**03 FORGE RESILIENCE**  
Strengthen the capacity to keep moving.

**04 ADJUST FIRE**  
Turn changing conditions into deliberate action.

**“** Brian genuinely engages audiences and leaves attendees inspired and ready to act.
